11th June 2020

Dear Parents/Carers,

We have been considering how to progress our plans for a phased return for Reception, Y1 and Y6 following the announcement last week that the R value was above 1 in North West and therefore not safe to re-open to those year groups. At this present time, it is too soon to say that the R value is consistently below 1 so the decision of the Governing Body has been taken to remain closed.

We are hoping that by 22nd June, we will be in a position to be able to open as previously planned. I will confirm this by next Friday 19th June. This seems to be the general consensus for many primary schools in Halton and is supported by the Local Authority.

School will remain open to key worker and vulnerable children as it has for the last 12 weeks.

If anything changes, we will contact you before 19th June. Once again, I thank you for your support in this matter

Yours sincerely,

Paula Casey (Headteacher)
