6th June 2020

Dear Parents/Carers,

You may well be aware by now that the R rating (rate of infection of how the coronavirus is transmitted) is above 1 in the North West. This means that the 5 key tests that the Government set to allow schools to re-open are not being met. Halton schools have been advised by the LA to delay opening to Reception, Y1 and Y6 on 8th June until the R rate decreases to below 1 again. I am so sorry for the very short notice but we only received this information late yesterday afternoon and I had to get the backing of the governing body.

School will remain open to key worker and vulnerable children as it has for the last 11 weeks but unfortunately will not yet be opening more widely to children in Reception, Y1 and Y6. We are very disappointed to have to do this as school and staff were ready and looking forward to welcoming more children back. This decision has not been taken lightly but for the safety and well-being of all concerned.

As soon as anything changes, we will contact you again. Once again, I do apologise and thank you for your support in this matter

Yours sincerely,

Paula Casey (Headteacher)
