Dear Parents/Carers,

Coronavirus (COVID19)

We are aware that many of you will continue to have concerns regarding the coronavirus. I would like to reassure parents that as a school we continue to follow closely the latest guidance issued by the Department for Education and Public Health England on Coronavirus.

- We will remain open
- We continue to encourage high levels of personal hygiene, including regular handwashing and the *Catch it, Bin it, Kill it* advice when sneezing or coughing.
- Children must stay off school for 7 days if they have any of the symptoms: fever, coughing or shortness of breath
- We will send home children with any symptoms

We have been told that if and when the Government or Public Health advice changes, then updates will be shared promptly with schools. In turn, School will act in accordance and you will be advised of the changes as soon as possible.

Should schools remain open, I would like to remind you of a number of events that are happening in the coming weeks.
