

BROOKVALE PRIMARY ACCESSIBILITY PLAN 2015-2018

The school will take into account the needs of pupils, staff and visitors with physical difficulties and sensory impairments when planning and undertaking future improvements and refurbishments of the site and premises.

There are 3 areas to be considered

- Increasing the extent to which disabled pupils can participate in the school curriculum
- Improving the environment of the school to increase the extent to which disabled pupils can take advantage of education and associated services.
- Improving the delivery of information to disabled parents and pupils in an appropriate format.

The following table shows areas for further development and how the school will address them.
