

BROOKVALE PRIMARY SPORTS PREMIUM 2017/18 - REVIEWED

The Sports Premium is funding that is given to schools to develop the provision for sports and physical education. The school is free to spend the Sports Premium as it sees fit. This action plan will be published online to demonstrate how the funding has been used.

Total Sports Premium Budget: £18,300

Action Plan: To use Sports Premium Funding to continue to improve PE provision and raise achievement for all pupils in sport

Key Objectives	Leaders	Cost	Success Criteria
<ul style="list-style-type: none"> • Subscribe to Halton SLA for Sports Development • Employ sports coaches to work with children during the day and run after-school clubs 2 per week • Identify training needs for staff professional development to enhance the delivery of sports, eg High 5s • Consider the introduction of the 'daily mile' and possible cost implications • Audit resources and identify areas of need • Purchase additional PE resources to enable a wider and 'new' range of sports to be played, eg High 5s • Improve playground surface in the pen • Re-mark football and netball courts in the pen • Increase participation in district competitions and tournaments through membership of the local sports partnership • Co-ordinator to monitor provision and coverage of PE throughout school and display is kept up to date • Co-ordinator to take a more leading role in involving the school in different types of sporting competitions eg High 5s • Buddies are provided with a small supply of equipment to use and look after to keep the infants active during lunchtimes • Resurface pathway in Early Years outdoor area • Encourage children to eat healthily through taster sessions from school cook 	PE Co-ordinator SMT	£500	Able to demonstrate successful use of Sports Premium to deliver a wide variety of sports to all children in school
		£6000 TB £1500 BW	PE curriculum delivered to all children with appropriate pace and coverage. Standards improved. Skills developed with continuity and progression between each year group and Key Stage. All staff work alongside a sport coach and incorporate ideas and activities into their own teaching. PE Co-ordinator to manage and develop school's provision
		£500	All staff attend relevant training and continued professional development courses. Teachers more confident, supported by expertise of colleagues.
		£200	Resources renewed and updated to provide quality teaching/learning. A variety of after school sports clubs are provided across a school year. The number of children taking part in after school sporting activities increases
		£2000	Children take part in a wider variety of sporting competitions and have access to new sporting experiences
		£5000	Co-ordinator. Co-ordinators file is well managed and up to date Curriculum monitoring carried out by PE Co-ordinator demonstrates positive impact of Sports Premium Teaching and learning of PE is consistent across all age groups
		£600	Children are encouraged and demonstrate that they take ownership of their Own health and well-being through increased participation in sporting competitions and events
		£500	
		£300	
		£1000 £500	
		£18,600	

Monitoring	Monitoring Strategy		Reported to Govs
PE Co-ordinator to report to SLT	<ul style="list-style-type: none"> • Scrutinise medium term planning • Cross-reference teaching units, time, coverage. • Lesson observation - peer to peer • Check assessment/planning 	<ul style="list-style-type: none"> • Talk to group of pupils • Check end of year assessments • Monitor number of children taking part in after school clubs 	Autumn 2018

Review

Our Sports Premium spending has once again had a positive impact as we continue to use it to boost pupil participation levels, increase pupil opportunities and develop staff skills and delivery.

Pupils have been provided with a number of opportunities to represent school and play in a range of competitions and tournaments, which have ranged from football to kwik cricket ensuring many different sporting abilities and interests could be catered for.

Swimming ability throughout school continues to improve as we offer lessons starting in year 3 and then yearly until year 6.

Our specialist coaches, funded by Sports Premium, have provided teaching of P.E. for 2 hours a week to all classes this year. This has also been used as CPD for teaching staff.

Next Steps:

To review the impact of the current provision from specialist coaches and decide if it is best value

This year we would like coaches to work in collaboration with teachers and teachers to deliver some lessons with the coaches.

Continue to improve general fitness with a daily mile track being installed and all pupils completing a mile per day.

Continue to develop swimming and aim for 80% of pupils leaving school being able to competently swim 25m.

To continue to develop leadership opportunities with Buddies in KS2.

To continue to offer a wide range of extra-curricular activities to ensure all abilities and tastes are covered.

To further promote sport by being involved in events like Sports Relief and encouraging parents to become more involved in physical activities with their children.

Meeting National Curriculum Requirements for Swimming and Water Safety 2017/2018

What percentage of your current Y6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	63%
What percentage of your current Y6 cohort use a range of strokes effectively (eg, front crawl, backstroke and breaststroke)?	63%
What percentage of your current Y6 cohort perform safe self-rescue in different water-based situations	63%
Schools can choose to use Primary PE and Sport Premium to provide additional provision for swimming but this must be an activity over and above the national curriculum requirements. Have you used it in this way?	NO
