

## NURSERY NEWSLETTER SUMMER 2 2019

Welcome back after the Whit Holidays. Hope you and the children had a lovely break and are looking forward to the last half term of the academic year!! This promises to be a very exciting and busy half term. We'll keep you posted!! Our new topic will be linked 'The very hungry caterpillar'. We will briefly re-visit 'Jasper's Beanstalk'

June

2019

### Arrive on time:

Please can we remind you that nursery starts at 08:55 and runs until 11:55. Please make sure your child is on time for the start of the school day; they can get a bit upset when they arrive late and have to come via the main school office. You are welcome to come in with your child to help them settle but please be aware we do need to get the gate locked at 09:00. If you need to speak to myself or Pauline, we are more than happy to do so but depending on how busy we are you may need to catch us at home time or make an appointment. The gate will be opened at 11:55 and you will need to queue outside the classroom door to collect your child. If you are running late the children get taken to the front entrance where they will wait with a member of staff to be collected. If you know you are going to be late, please phone school to let us know.

### Water bottles:

As part of the school's healthy eating and drinking policy, we ask that you send your child into school on a Monday with a **water bottle filled with plain water only. Juice and flavoured water are not allowed in school.** If the children forget their bottle, we can get them a drink of water from the nursery kitchen. Please make sure their bottle is labelled with their name. Bottles will be re-filled each day and the children can take them home on a Friday.

### Book bags, reading books and rhymes:

We will continue to send your child home with a book for them to share with you. The books will get changed every **Monday**, so **book bags don't need to be in school every day.** We will also continue to send home the nursery rhyme of the week, which the children are enjoying in school. Please keep practising at home.

### Snack:

The children will get a snack and a drink during the nursery session. The cost is £1.25 per week or 25p a day. This can be paid daily, weekly, half termly or termly; whichever suits you.

### PE:

PE will continue to take place on a Wednesday morning. This half term we will be using small apparatus as well as using the trim trail and tyre park on the large playground. We might even do some team games on the field.

### Boxes and files:

Please don't forget about your child's box and their files. Some boxes have been getting very full lately and there maybe important letters for you to read.

If you take the files home, please return them to school asap.

Thanks

### Uniform:

Please make sure your child's uniform is labelled with their name. It can be very tricky to return them to their owners if they are not named, especially now that we have 17 red jumpers/cardigans!! We have a basket in class for the children to put their jumpers or cardigans in if they take them off. Please also make sure your child's coats/jackets are clearly named as some children have the same coats.

### Toys:

**Please, please encourage your child to leave their toys at home. We have lots of toys and games for them to play with and the children get upset when they get lost or broken. Some toys are still making their way to nursery!!**

### Student:

We currently have a student working with us in the nursery. Mrs Burns comes to nursery on Thursday mornings and will continue to do so until the end of the academic year.

### Picking up from nursery:

Please continue to let us know if someone different is picking your child up from nursery, especially if they have never been before.
