

YES IT DOES!

- You miss important things the teacher has said.
- You won't know what the other children are doing.
- You disturb all the children in the class.
- Your teacher has to record in the register that you are late.
- Your teacher writes on your report how many times you arrive late.
- You stop the class receiving the Early Bird Award.

**Here are some things children have said
about being late:**

"It gives you a scary feeling inside"

"It makes you worry about the day"

"It makes you feel embarrassed"

*"The other children stare at you when you
walk into class"*

"It's horrible not knowing what to do"

DID YOU KNOW?

**Being 15 minutes late each day adds up
to 1 HOUR & 15 MINUTES of missed
lesson time each week!**

THAT'S SHOCKING!

IT'S COOL TO BE IN SCHOOL

**GET INTO A GOOD ROUTINE AND MAKE A
GOOD START TO EACH DAY**

See Julia if you need some help or advice
